### Message from Our Owner

Welcome! What an exciting time to be a part of the 407&Beyond community. Our new monthly edition of, Going Beyond, will be more entertaining than the conventional newsletter you typically find in your inbox. Inside each edition, we will bring the magic to you with monthly recaps of the parks including photos and videos from around Star Wars Galaxy’s Edge, the Wizarding World of Harry Potter and more! We will also provide you the essentials like the latest discounts and vacation package offerings that will help you determine when it’s the right time for your family

to visit. Vacationing is an important time away from the routines of life and an opportunity to focus on your loved ones. Below I challenge you to think about where your family will have the most fun and have an experience that is truly beyond ordinary.

As you read this month’s newsletter I hope you feel the excitement and passion for vacationing at Disney destinations and the importance of creating long lasting memories your family will talk about for years to come. As you begin to picture your next vacation I encourage you to think about two things. The first is where you dream of taking your family. Sometimes destinations feel too out of reach or too complicated to book. To that I say, utilize the present before it becomes the past. I fully trust and endorse our Vacation Planners to take away the stress of planning, so all you and your family need to do is show up, have fun and create family memories. Second, and even more importantly, I encourage you to think about who you want

to share those memories with. When you picture your perfect vacation, who are you sharing laughter and fun with? Who is in the family photos you share with work colleagues when you return? As the Owner of this travel agency, there is nothing better than seeing the excitement of our clients when they return from their trip, with the magic and memories of the time they spent together. Life can too easily fall into routine and monotony, so do not let your vacation be anything other than extraordinary!

## The Wagner Family

Walt Disney World

Kristine's knowledge and passion for Disney and family made her the best travel agent around! She worked so hard to ensure we had everything we needed, answered every question we had, and checked in with us often. To top it off, she left a gift basket at the front desk for my husband's birthday, making our trip even more special and personal!

# July has Been an Action Packed Month!

“when it comes to

**special**

**events**

they don't  
mess around!”

This month started off with a bang, quite literally! Disney World went all out for the [4th of July](#) and celebrated our country's birthday with 2 nights of specialty fireworks at Magic Kingdom and an exclusive 4th of July fireworks display added to Harmonious at Epcot. Disney is known for their firework displays and when it comes to special events they don't mess around!

I made a visit to Disney's Fort Wilderness Resort for dinner at [Hoop Dee Doo](#) which has recently returned after an over 2 year hiatus! The Hoop Dee Doo Musical Revue is Disney's longest running dinner show. It is always fun seeing the joy on the faces of guests who are experiencing the over the top antics for the first time.

Summer is a great time for family travel and this month I got to experience the joy of seeing [Disney through a child's](#)

[eyes!](#) My friends have 2 little girls and getting to spend a day with them at Epcot was such a special experience. It was incredible seeing the things the girls were in awe of and the way their faces lit up meeting Minnie Mouse and talking to Crush the Sea Turtle!

Another highlight from this month for me was testing [Disney's Genie Plus](#) service for the first time. Disney Genie Plus is a paid service that lets you skip the standby line at select attractions by reserving a Lightning Lane Reservation. I had not tried it yet until Bruce and I spent a full day in Magic Kingdom using the service.

Mexico Pavilion

We were able to do so many attractions and I am now sold on the value of Genie Plus!

Epcot's Food & Wine Festival

**kickoff**

July also marked the beginning of the 2022 Epcot International [Food & Wine Festival!](#) This festival runs from July 14th - November 19th. So far I have enjoyed getting to see the festival displays, check out the merchandise and try some of the exciting food and beverage offerings. There is so much to taste at this year's festival so I'm excited this event is here for the next few months!
