### Message from Our Owner

2023 was a fantastic year at 407&Beyond! It was a year of firsts, a lot of growth, and potentially the most influential year of the company. We had several agents who achieved record sales, numerous agents who reached new heights in the 407&Beyond Legacy Program, and we sent a record number of agents on agent education programs and FAM trips.

One of my favorite moments of the year took place last April when the team met at Walt Disney World for our annual 407 Week celebration. The 2023 event was extra special because it was the first year that the team met in person. Gina Reed and Magical Meg

from our media team were also there for the weekend. We had a fantastic time and were able to ride Tron Lightcycle Run during the preview dates.

Staying on the topic of trips, 2023 realized a record number of 407&Beyond agents who attended on-site agent education programs (AEPs) and team familiarization trips (FAMs). We sent agents to Disneyland, Walt Disney World, Disney Cruise Line, Sandals and Beaches Resorts, and Universal Orlando. In fact, during last September’s Universal Orlando FAM trip at Cabana Bay Beach Resort, the team attended training, took resort tours, and spent time in the parks, including Halloween Horror Nights!

In addition to a fun and experiential year traveling, we had a record number of agents achieve new statuses in the 407&Beyond Legacy Program. All of our agents gained momentum this past year and we will look to continue that momentum and grow even further in 2024.

Lastly, we have been bestowed with several

new honors as a result of sales performance and dedication to learning and advancement with our partners. For our work in 2023, we received recognition as an Authorized Disney Vacation Planner with Silver EarMark status, Bronze U-Preferred Agency with Universal Orlando, and Preferred Agency status with Sandals and Beaches Resorts. These recognitions are a testament to my team’s commitment to excellence and hunger for success.

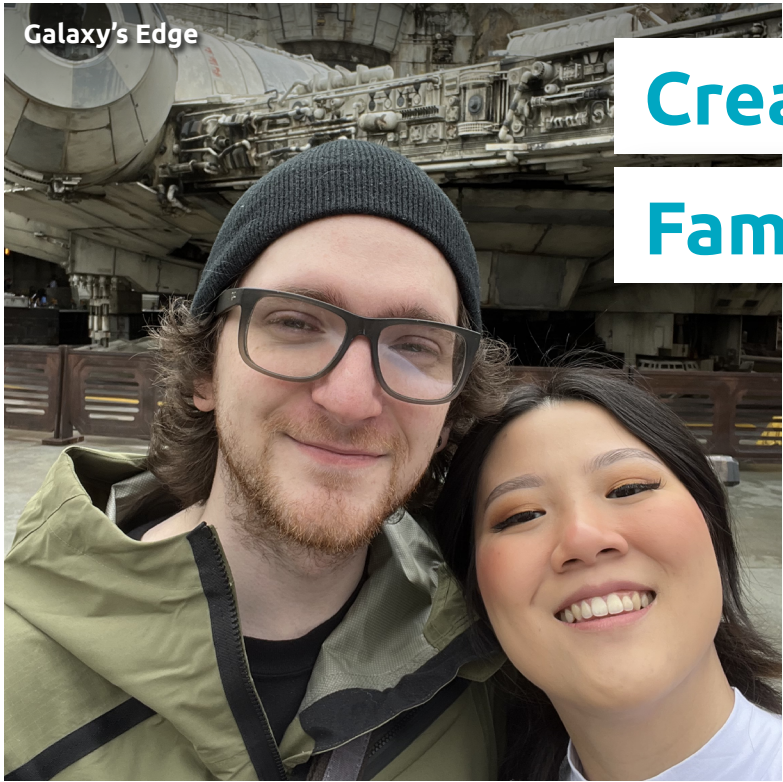

2023 was a great year and I look forward to the promise of growth, opportunities and success in 2024!

Grace made our honeymoon trip to Disney/ Universal such a wonderful experience! She was available to help with any questions we had and took great care in making sure we had a stress-free vacation. I'm a planner at my core but it was nice to let Grace take the reins so I could spend my time relaxing and enjoying my trip. She did a wonderful job and I couldn't be happier with our experience with her and 407&Beyond.

## Favorite Epcot Festival of the Year

Each offering is made with such

**artistic**

**flair**

It's finally here, my favorite Epcot Festival, which is The Festival of the Arts. This festival is the shortest festival lasting from January 12th to February 19th. I am going to get over to Epcot a lot this month to experience all that this festival has to offer. Here are some of the reasons that I love this festival so much:

The food studios at this festival are so different from other festivals. Each offering is made with such artistic flair. The presentation is truly a work of art.

Participating in the giant paint-by-number mural is so much fun. You get to contribute to painting a few squares on this mural and also walk away with a free book mark of what the completed mural will look like.

Over at the American Gardens Theatre you can learn to draw a Disney character from an actual animation artist. This happens twice a day and there are different characters at each session.

I love a good scavenger hunt and I feel Festival of the Arts has the best of all the festivals. Purchase a Figment's Brush with the Masters map and begin to look for hidden famous pieces of art with a twist because Figment is the main subject of each painting. After you find them all return to where you bought the map for a special prize!

**my fav!**

Another big draw for this festival is the Disney on Broadway Concert Series. Actual Disney Broadway stars perform nightly at the American Gardens Theatre. This is a great way to experience the talent of these Broadway performers.

These are just some of the reasons I love this Festival. You'll also want to take in all the artist's and their works of art all around World Showcase.

## Owner Bruce Beil

**Bruce Beil**

[Bruce@407Vacations.com](mailto:Bruce@407Vacations.com)

[www.407vacations.com](http://www.407vacations.com)

### **You have some pretty exciting news to share with the community, what can you tell us?**

As of January 1st, 407&Beyond is officially a Disney EarMark agency! I am extremely proud of my team and the hard work and dedication that have displayed in achieving this accolade.

### **What does it mean to you for 407&Beyond to be designated as a Disney EarMark agency?**

It means a lot to me, as I know it means a lot to our agents. As the owner of 407&Beyond it is my responsibility to drive the company in a direction that puts us in a position where agents can strive and that success is recognized in the marketplace. I am so happy for my team as this designation is a reflection of the high quality people that they are. Success is earned and this is another step forward in reaching our ultimate goals.

### **407&Beyond also received some other accolades, can you tell us about them?**

Yes! Excitingly, we also received U-Preferred Bronze Status with Universal Parks and Resorts, as well as the Preferred Agency status with Sandals and Beaches Resorts. As I mentioned earlier, these accolades are a testament to our agents dedication to the process and our collective goals.

### **What do you attribute most to the success of the agency?**

Our people. We have a very tight-knit community of travel agents, media personnel and admin. In the hiring process I look for high quality people who are not only motivated to sell and plan vacations, but who are dedicated to the betterment of the team and their colleagues. Although we have agents at every level of the 407&Beyond Legacy Program, we move forward and progress as one team.

### **What is the vision of the company for 2024 and beyond?**

We talk a lot internally about the vision of the company in both the short and long term. We have some pretty lofty goals that we would like to achieve in a short period of time and look forward to the challenge. Part of that vision is to continue to grow the number of new, motivated agents who are looking to become a serious travel agent. In addition, we have some big plans in the works for our media team.

# AN ADVENTURE FOR THE ENTIRE FAMILY

For kids ages 8 and up, the Galapagos Islands offer an opportunity to experience nature as nowhere else. Here, they can get close to animals and observe their behavior without bars or a long lens. It is an exceptional way to foster, early in life, an appreciation of nature and animals, and to build a stewardship ethic.

Galapagos vessels can offer unique and entertaining activities for kids, however, due to the size of our vessels and the fact that our guests spend much of their time exploring the islands, there is no formal onboard children's program. All activities may be customized depending on children's age, maturity level and the number of children onboard.

## HERE IS AN EXAMPLE OF THE ACTIVITIES WE MAY OFFER FOR KIDS ONBOARD:

- Exclusive bridge tour for the family
- Pizza making experience with our chef
- Scavenger Hunt
- Naturalist assistant for an afternoon
- Age-appropriate history and science lectures for children
- Silent disco with child friendly playlists

We recommend that children be 8 years or older to truly enjoy the Galapagos experience. There is no babysitting onboard, and children must go ashore/on excursions with parents/guardians. All Celebrity Galapagos vessels do not offer an official youth program or in-stateroom babysitting. The minimum age to travel to the Galapagos Islands is 12 months. Cribs are not offered onboard Galapagos vessels. ©2023 Celebrity Cruises Inc. Ships' registry: Malta and Ecuador.
